

## Tigers - Coffs Harbour Newsletter # 3, 2017

Well time marches on and we are now in the second half of the year so what does that mean? Christmas – No, Hockey finals – No, but what it does mean is that the **Tigers Coffs Trip** is fast approaching.

Further to my earlier newsletters the Big Bus trip to Coffs again so we can once more players and supporters lined up at this down on the list to go to Coffs. We already several years.

is all lined up for the travel in comfort but we have a lack of stage. So don't be shy in getting your name have some new faces and some not seen for

I may have made a slight mistake with my new venue for lunch on Saturday as I have recently found out the venue doesn't have TAB facilities but I'm sure it's nothing that we can't get around at some stage of the afternoon so I'll solve that beforehand. It could be like the old days where we had the magical mystery tour, what do you think of that? Don't answer!!

I'll make this newsletter a little shorter but hopefully still get the message across as I am of to see my younger brother (Wayne) not littler that's for sure in sunny WA (well hopefully sunny).

Cutter is busy designing the **gift** courtesy of the 2016 Putters Club so all those on the Coffs Harbour Trip can look forward to that as an added bonus this year, whatever that may be but I'm assured that it will be something you can treasure.
